Academy Lot

The lot features a "Pay and Display" meter collection system. The system works by purchasing time at one of the two pay stations located in the lot. Users of the system park their vehicle, go to the station and pay for the time they want, take the receipt, and then display the receipt on the vehicle dashboard. The receipt indicates the entry time and the expiration time. Coins, bills, and credit/debit cards are accepted for payment in the station. The parking rate is \$1.00 per hour. \$5.00 will purchase 24 hours of parking.

PARKING METER RATES

20 Min.	.25 or Token
6 Min.	.10

Meters operate Monday thru Saturday, 9AM-6PM, unless otherwise posted.

A ten minute grace period starts when the time paid for parking in a one or two hour time zone has run out. No violation ticket will be issued during this time period. A coin or token must be initially inserted into the meter for this feature to work.
